

RUKUNGIRI MUNICIPAL COUNCIL LAUNCHES FOUR PROJECTS

On Thursday 2nd November 2023, Rukungiri Municipal Council led by Resident District Commissioner- Rukungiri launched four projects.

The projects were;

Bashama Bridge in Southern Division, this bridge intends to link three communities of Nshure, Kanyinya and Rwakabengo. The project will commence on Monday 06th November, 2023 with drainage works. The bridge will also work as a shortcut to town and Rwakabengo H/C III for the natives. The project includes the rehabilitation of Nshure – Ndorero road.

Construction of five stance VIP latrines at Rukungiri Primary school and Rukondo Primary school.

The Rukungiri Municipal Council Administration Block Construction Phase II project was also launched. The phase itself will cost over Ushs. 214,807,776=

The Acting Municipal Engineer; Eng. Hangson Sulait Nuwamanya advised the contractors to avoid shoddy work and should make sure that their service delivery is of good quality and timely to avoid any problems that will tarnish their reputation as professionals.

The Mayor of Rukungiri Municipality His Worship Charles Makuru encouraged the project stakeholders to always issue their consent for such developmental projects after all they are the ones to benefit most from them in the long run.

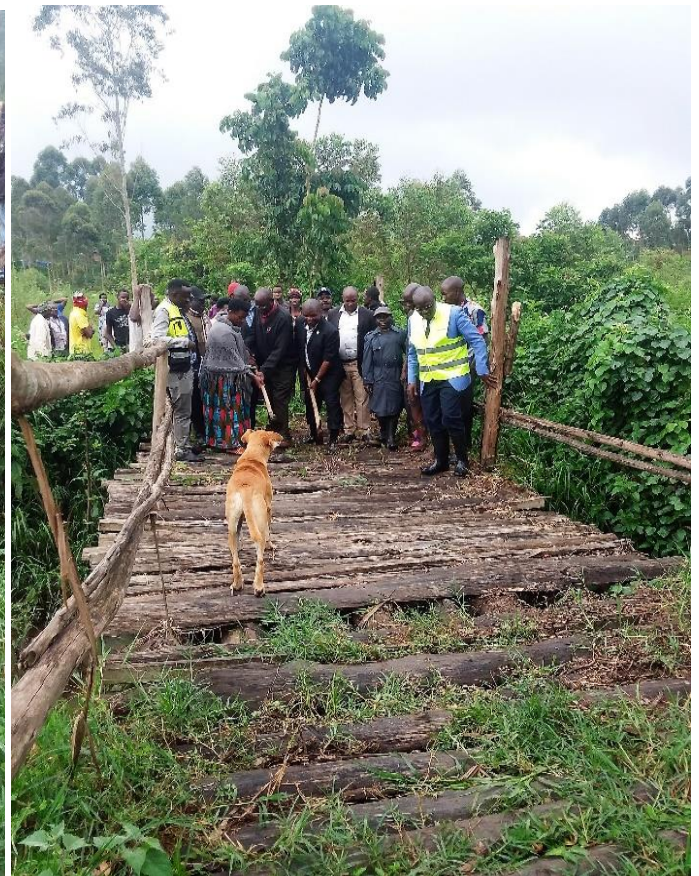

H.E Nsubuga Bewayo Steven the RDC of Rukungiri District who was the chief guest for all the four projects asked all the stakeholders to take ownership of the projects because it is of an advantage to all. He further asked the project supervisors to make sure that anything sub-standard is not allowed or else the contractors might face severe repercussions like repeating from the start.
